

Psychological Trauma, Including PTSD, Focusing on Substance Use / Misuse Selected Bibliography

Prepared by: Reference Services, CAMH Library, Toronto, ON, Canada
November, 2007

This bibliography is limited in scope primarily to selected books and reports from the CAMH Library collections, supplemented with a small number of Web resources and journal articles. Its purpose is to serve as an introduction and overview of the topic, not an in depth literature review. Many of the books on trauma or Post Traumatic Stress Disorder (PTSD) include chapters specifically relating to substance use issues.

Access online at: http://www.camh.net/camh_library - see **Bibliographies and Guides**.

Note: The CAMH Library has a large, current collection on trauma and PTSD. Search the Library Catalogue under the Subject Headings **Psychological Trauma** or **Posttraumatic Stress Disorder** or browse the books in the call number ranges **RC 552 .P** or **RC 552 .T**.
