

AUDIOVIDSUAL DISTRIBUTORS

This selected list of audiovisual distributors from whom we have made purchases for our educational resources. They are listed here as an aid to finding resources for institutional purchasers. These distributors sell educational videos with public performance rights for use in schools, and for institutional and professional audiences. Additional resources may be found by consulting local reference libraries and business directories. Canadian distributor names are highlighted. CAMH library staff may be able to provide distributor information for specific titles in the by request.
