

## SURVEY ABOUT PEOPLE AND PETS

The purpose of this survey is to learn what is currently happening at CAMH to connect people with pets. We also would like to hear your ideas about how to increase the involvement that people with mental health and/or substance use issues have with pets. This information will help to guide CAMH's People and Pets working group. Please use the back or attach another page if you would like more space. Thank you for taking the time to complete this. Please email survey to [roslyn\\_shields@camh.net](mailto:roslyn_shields@camh.net), fax to 416-583-3444 or mail to CAMH, CSRU, 1001 Queen St. W, Rm 2075, Toronto, ON M6J 1H4.
