DO YOU HAVE OBSESSIVE COMPULSIVE DISORDER?

Are you looking for group treatment with Cognitive Behavioural Therapy?

If you are:

- Between the ages of 18 and 65
- Have a current diagnosis of Obsessive Compulsive Disorder
- Are willing to undergo a non-invasive brain scan that records brain activity

You may be eligible to participate in a research study on brain activity before and after group talk therapy for Obsessive Compulsive Disorder within the Mood and Anxiety Program at the Centre for Addiction and Mental Health

camh
Centre for Addiction and Mental Health
Centre de toxicomanie et de santé mentale
